Motorized Vehicles

At no time, without approval from the Security Manager, are motorized vehicles allowed to pull in and onto the exhibit hall floor, with the exception of authorized display vehicles that have obtained the proper permit.

Motorized vehicles shall be defined as any vehicle which is propelled by an internal combustion engine and using Class -1 or Class -2 fuel, such as but not limited to automobiles, trucks, motorcycles, aircraft and watercraft.

Display Vehicles:

- Must have less than 1/4 tank of gas
- Battery must be disconnected and stay disconnected for the duration of the show.

All display vehicles must file a permit application with the Security Manager. The Application containing Make, Model, Year and proof of Insurance must be submitted no later than thirty (30) days prior to the Event date. The permit fee is \$25 for each vehicle.

There will be assigned load-in and load out time for the display vehicles

Upon arrival at the Lancaster County Convention Center loading area, present the green "Display Vehicle Approval Form" clearly for the Loading Master to see. This form will grant access to the Exhibit area for display vehicles.

Upon entering, a non permeable poly sheeting must be laid under the vehicle to prevent oil drips. The sheeting must remain under the vehicle for the entire duration the vehicle is in the building.

Within the first 30 minutes of the vehicle entering the building the vehicle must be inspected by the Security Manager, who will check the fuel gage level then supervise the battery being disconnected. The vehicle will then receive the permit from the Security Manager.

At no time should be the battery be reconnected without the Security Manager's approval.
