### LIMITS AND LIABILITIES

DEFINITIONS AND RESPONSIBILITIES: The Terms and Conditions set forth become a part of the contract between AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO") and the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met: (1) An Exhibitor's materials are delivered to the Contractor's Advance Warehouse or to an event site; (2) The Authorization and Agreement Form is accepted or signed; (3) An order for labor, services and/or rental equipment is placed by the Exhibitor with the contractor; (4) Work is performed on behalf of Exhibitor by labor secured through the contractor. For purposes of this contract, the name "the contractor" shall be construed with the meaning of AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO"), DBA the contractor and its employees, directors, officers, agents, assigns, affiliates, and related entities including any subcontractors the contractor may hire. The contractor shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. The contractor does not assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under the contractor's direct supervision and control.

PAYMENT TERMS: Full payment, including applicable tax, is due in advance or at event. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional after deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of the contractor except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor's booth. In case of cancellation of any orders or services by Exhibitor, a one-hour "per person requested, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. A 100% pick-up fee will be applied to all on site exchanges or cancellations. If the event is canceled because of reasons beyond the contractor's control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. It is Exhibitor's responsibility to advise the contractor of any problems with any orders, and to check the Exhibitor's invoice for accuracy prior to the close of the show or event. If Exhibitor is exempt from payment of sales tax, the contractor requires an exemption certificate for the state in which the services are to be provided. Should there be any unpaid balance after the close of the event, terms will be net, due and payable upon receipt of invoice. Effective thirty (30) days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month (annual rate 18%), and future orders will be on a pre-paid basis only. These payment terms and conditions shall be governed by and construed in accordance with the laws of the State of New Jersey. In the event of any dispute between the Exhibitor and the contractor relative to any loss, damages, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to the contractor for its services, as an offset against the amount of any alleged loss or damages. Any claim against the contractor shall be considered a separate transaction, and shall be resolved on its own merits. The contractor reserves the right to charge Exhibitor for the difference between the Exhibitor's estimate of charges and the actual charges incurred by the Exhibitor, or for any charges that the contractor may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor's credit card company for any reason, the contractor hereby provides notice that it reserves the right, and Exhibitor authorizes the contractor, to continue to attempt to secure payment through that or any other Exhibitor(s) credit card for as long as unpaid balances remain on Exhibitor's account.

INDEMNIFICATION: Exhibitor agrees to indemnify and forever hold harmless the contractor and its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of contributed to by any of the following: (1) Exhibitor's negligent supervision of any labor secured through the contractor, or the negligent supervision of such labor by any of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC); (2) Exhibitor's negligence, willful misconduct, or deliberate act, or the negligence, willful misconduct, or deliberate act of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC) at the show or exposition to which this Contract related, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of the contractor's equipment. (3) Exhibitor's violation of Federal, State, County of Local ordinances; (4) Exhibitor's violation of event regulations and/or rules as published and set forth by facility, show management, or the contractor.

CLAIM(S) FOR LOSS: Exhibitor agrees that any and all claims for loss or damage must be submitted to the contractor immediately at the show site, as well as in writing to csr@aexservices.com at the time of the potential claim for loss or damage. In any case not later than thirty (30) days after the conclusion of the event (for purposes of claim reporting, the "conclusion" of the event is the earlier of the conclusion date of the event or the time when Exhibitor's materials are delivered to the carrier for transportation from the event site or from the contractor's warehouse). All claims reported after the thirty (30) day period will be rejected. In no event shall a suit or action be brought against the contractor more than one (1) year after the date of loss or damage occurred. If found liable for any loss, the contractor's sole and exclusive maximum liability for loss or damage to Exhibitor's materials and Exhibitor's sole and exclusive remedy is limited to the lesser of \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment whichever is less, and in no event shall exceed the total rental fees paid by exhibitor to the contractor for the event.

INBOUND AND OUTBOUND SHIPMENTS: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor or its representative, and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials after same have been delivered to Exhibitor's booth. Additionally, there may be a lapse of time between the completion of packing and the actual pickup of materials from the booths for loading onto a carrier and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials before same have been picked up for reloading at the conclusion of the event. All Material Handling Agreements submitted to the contractor by Exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to the contractor and the actual count of such items in the booth at the time of pickup. Exhibitor agrees to accept and be bound by the contractor's count.

PACKAGING, CRATES, & EMPTY CONTAINERS: the contractor shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed materials. In addition, the contractor shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of the Exhibitor or its representative. All previous labels must be removed. The contractor assumes no responsibility for error in the above procedures, removal of containers with old empty labels and without the contractor labels, or improper information on the empty labels. The contractor will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

**SEVERABILITY:** If any provision of this Contract proves to be illegal, invalid, or unenforceable, the remainder of this Contract will not be affected by such finding, and in lieu of each provision of this Contract that is proven to be illegal, invalid, or unenforceable, a provision will be added as part of this Contract as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

NO ORAL MODIFICATION OR WAIVERS: The Limits and Liabilities are the complete and final agreement between Exhibitors and the contractor. The terms herein may not be modified or waived orally, but only by an instrument in writing signed by the party against which enforcement of the modification or waiver (as the case may be) is sought.

# MATERIAL HANDLING ORDER FORM

## What is Material Handling?

You can either ship your materials to the advance warehouse or ship directly to show site. Please check the **Quick Facts** page for designated dates and times. Advance Material Handling includes unloading your exhibit material, storing up to 30 days at the advance warehouse and delivering to your booth at show site. Materials delivered directly to show site will be unloaded from your carrier and delivered to your booth. This includes the handling of the empty containers to and from storage. At the end of the show, material handling includes moving exhibit materials from your booth to be loaded on your outbound carrier of your choice. Material Handling is not to be confused with the cost of shipping/transporting your exhibit materials to and from the event.

#### How should I LABEL MY FREIGHT?

- PLEASE USE THE PROVIDED SHIPPING LABELS.
- The label should contain the Exhibiting Company Name, Booth #, Name of the event, C/O AEX Services/Texas XPO and Facility Address.
- The specific shipping address for either the advance warehouse or direct to show site address is located on the Quick Facts and on the provided Shipping Labels.

#### Do I need INSURANCE?

- Yes, your exhibit materials are required to have proper insurance from the time they leave your facility until they are returned after the show. This can be done by riders to your existing policies.
- All materials handled by the AEX Convention Services are subject to all the Terms and Conditions in this
  Exhibitor Kit.

# How do I ensure that my SHIPPED MATERIALS ARE SECURELY delivered by or before they are picked up after the show?

• There may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. Which may also be the case for the close of the show phase. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or hire security services to monitor your booth/materials.

# **UNION JURISDICTIONS & RULES**

# ATLANTIC CITY HOTELS

Trade shows and events held in **ATLANTIC CITY HOTELS** are subject to union jurisdictions that affect exhibitors. You will find the jurisdictions are comparable, and in many cases more user friendly, than other union facilities. This outline is designed to assist you by answering the most frequently asked questions.

#### FREIGHT & MATERIAL HANDLING

You may ship goods, via the carrier of your choice, to either the Contractor's Advance Warehouse or direct to show site for arrival during the published receiving periods. Material Handling (drayage) is within the Decorator's union jurisdiction (unload, deliver, remove, and reload freight). Material Handling may be ordered using the "Material Handling Order Form" provided in the kit and is entirely distinct from shipping. Exhibitors may, at their option, handle their own freight using their own carts or dollies. Pallet jacks and motorized equipment is not permitted.

#### **FURNITURE & CARPET**

Furniture and carpet may be rented using the "Furniture Rental Order Form" and the "Carpet Rental Order Form" which are provided in the kit. The price includes union labor for delivery, installation, and removal.

## **BOOTH ERECTION & DISMANTLING**

The Decorators union has jurisdiction over the erection and dismantling of displays and exhibits and may be hired to install exhibitor owned carpet, padding, flooring, hang signs, etc. Labor can be ordered using the "Labor Order Form" in the kit. Exhibitors may, at their option, erect and dismantle their own booths. Rigging crews may to be hired to move large machinery within booths and can be ordered using the "Forklift & Rigging Crew Order Form" provided in the kit. Exhibitors may supply their own flooring (carpet, carpet padding, tile, wood, etc.). However, all flooring must be installed and removed by the contractor's labor, using the "Labor Order Form" enclosed in the kit.

#### **ELECTRIC**

The ATLANTIC CITY HOTEL electrical staff handles electrical needs, connections and installation of powered signs and headers. Their services may be ordered directly from the facility using the form provided in the kit.

## **TIPPING**

The contractor requests that exhibitors do not tip our employees. They are paid an excellent wage scale denoting a professional status, and tipping is not necessary. This applies to all the contractor's employees and its subcontractors.

#### **SAFETY**

Standing on chairs, tables or other rental furniture is prohibited. The furniture is not engineered to support your standing weight. The contractor is not responsible for injuries caused by improper use of it's furniture.

Please assist in our efforts to provide a safe working environment for everyone. If you would like additional information or how the jurisdictions may apply to you and your exhibit, please call the contractor at (609) 272-1600 for assistance.

# Frequently Asked Questions

## DOES SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI?

Yes! Smart City Networks provides complimentary Wi-Fi in most designated public areas of the facility, such as the concourse lobbies and food courts. Check with your specific venue for locations. This service is made available to approximately 30 million guests, visitors, and attendees at our convention centers throughout the country. There is no requirement to purchase a Smart City Networks service in order to take advantage of the complimentary Wi-Fi.

### WHY DOESN'T SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI IN THE EXHIBIT HALLS?

Exhibit halls are not public areas since this space is typically licensed to a company, government agency, or trade association for a private event. The space license agreement governs the availability of a range of services for the event and the license may or may not call for complimentary Wi-Fi services.

## WILL MY PERSONAL HOTSPOT (MI-FI) WORK IN YOUR BUILDING?

Yes – however, the capability of your personal mobile hotspot is limited by your cellular carrier by the spectrum and Internet bandwidth capacity they have made available. Cellular carrier signals penetrate into a facility either from a nearby cellular tower or via an in-building Distributed Antenna System (DAS). It is important to remember that your personal mobile hotspot is obtaining a wireless signal from a shared cellular network, so service may be disrupted or become unreliable due to user density and demand on the carrier's network. In all cases, you have the option to take advantage of the complimentary Wi-Fi throughout the public areas, or if you choose, you can purchase an upgraded package based on your service requirements.

#### WHAT MUST BE IDENTIFIED ON MY FLOORPLANS?

Floor plans should include the surrounding booth numbers for orientation, measurements and easy identification of all required end location(s). Be sure to distinguish your main distribution line (MDL) and additional patch cables. Please reference Smart City's Communications Floorplan Worksheet.

TIP: Most of our venue's data jacks originate from a floor pocket. Be sure to submit a completed floorplan prior to the first day show move-in to avoid any additional labor charges.

Order online at:

orders.smartcitynetworks.com or call 888.446.6911

#### DO YOU OFFER INCENTIVE RATES?

Yes! Orders received along with payment by the incentive deadline date will receive our early incentive pricing.

### WHY ARE ROUTERS NOT ALLOWED ON A SHARED NETWORK?

Many times, Smart City has found that routers on a shared network are installed incorrectly, which can cause problems for other users of the network. Additionally, an accurate count of the number of devices on the network is required to determine the appropriate network size and bandwidth available to the network. For more information and to request the build-out of a special system to meet your needs, contact our team today for a quote.

### CAN I PROVIDE MY OWN SWITCH AND/OR CABLING?

Yes, you can provide your own switch and patch cables for in booth cabling. Unless otherwise mandated by the venue.

Please Note: Connectivity can be guaranteed only to the point where Smart City Networks' services originate in the booth. Smart City Networks cannot guarantee service on customer/exhibitor-provided cable(s) and/or equipment. Any request for trouble diagnosis or problem resolution found not to be the fault of Smart City Networks (such as faulty equipment or damaged cable) may be billed to the exhibitor at the prevailing labor rate.

#### **HOW MUCH BANDWIDTH DO I NEED?**

To identify how much bandwidth you should require, please reach out to a technical representative in your organization, review your program specifications listed with any demonstrations or downloads you plan to run.

#### WHAT DOES SD, HD, AND UHD STAND FOR?

SD, HD, and UHD are the abbreviated names of three video streaming formats. The basic difference between each of the formats is the number of pixels comprising the video image. The greater the pixel count the sharper and more detailed your video will be.

FORMAT	RESOLUTION	BANDWIDTH REQUIRED		
Standard Definition (SD)	720x480	3.0-5.0 Mbps		
High Definition (HD)	1280×720 & 1920×1080	5.0-8.0 Mbps		
Ultra High Definition (UHD)	3840×2160	25 Mbps
